How to: Connect to Wi-Fi on Apple

Students can connect to the "myBVC" wireless network.

***

1. On your device, open up your Wi-Fi settings.

2. In the list of available networks, select the **myBVC** network.
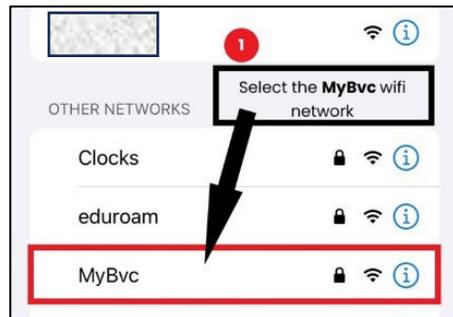

3. In the next screen, fill in the following options:

   1. **Username**: type in your myBVC email
address
2. **Password:** type in your myBVC password
(the same password you use to access your D2L
and myBVC email)
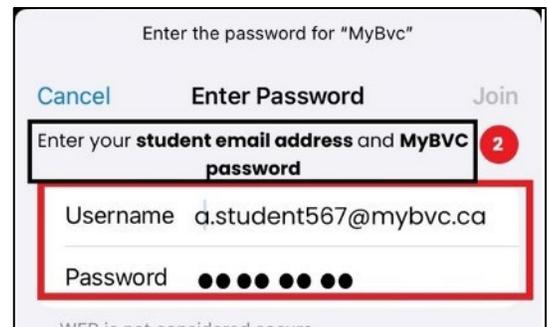

4. Tap on **Join** at the upper right to continue

5. On the next screen, tap on **Trust** to finish connecting to the myBVC Wi-Fi.
